CPYRGHT

Field-girdling fences of unmortared stone, built of rocks cleared from the land, create terraces on Middle Island. The hundred-foot mile of gateless walls that home-owners and gardeners build the hallow and from

518

buffeting winds. Passage to a field means climbing the fence or taking part of it down. The child and shawl-clad woman trudge toward a distant water pump — one of the daily chores on this timeless isle that even today enjoys few modern conveniences.
